Agreement/Contract
2010**

Please complete, and submit to your Manager/Coach by June 15th, the following Letter of Commitment to indicate your sincere interest for consideration of placement on a MSSL Little league All-Star team.

It should be clearly understood that accepting and signing this letter of commitment does not guarantee selection or placement.

Overview of the 9-10, 10-11, Majors and Juniors All-Star Teams

All Major League players league ages 9-14 are possible candidates for an All-Star team. 9-10 & 11-12 year olds are eligible for those respective teams. 11-12 year olds can play on a Majors team. 12-14 year olds can play on a Juniors team (all of this presumes the player meets age, residency & legal requirements). The league President/Board selects the All-Star managers. Players are selected by Managers and Board members.

Commitment

While it is a great honor to be selected as a member of an All-Star team, there is a substantial commitment of time and effort required in order to participate.

The minimum time commitment consists of regular (most likely daily) practices and post season games beginning as early as June 15th, usually ending by the 1st or middle of July. With the exception of illness, you are expected to attend all team practices, events and games. Vacations are usually not accepted as a reason for non-attendance. Any potential conflicts should be clearly indicated on the commitment form for consideration in team selection.
