- **5:45 pm:** Uniformed players will be directed to the field where they will parade towards left field on the outfield warning track.

- **Players must stay on warning track, and off grass at all times. Please do not ask for autographs. It is a privilege to be on the field. Be respectful.**

- As Little Leaguers reach the left field line, they will begin exiting the field through the gates at sections 132, 133, & 134. Parents should wait on the main concourse to meet their children.

- Wheel Chair accessibility exiting will be back to the right field corner, where they originally entered the field.

- Due to the large volume of participants, we will attempt to clear the field prior to the National Anthem. If the Anthem does begin during exiting, everyone must stop in observance until the end of the performance.

- Players should have their tickets, and know what section their seats are in.
